Tumble trying to eat tea

*The **Reach Riders Group** seized a window of opportunity for fund raising recently
Afternoon teas were served on the village green*

*It was a wonderful opportunity for villagers and their friends and family to meet outside in a
lovely setting and have some social interaction*

*The weather was kind (in fact perfect) and guests were treated to a variety of sandwiches,
cakes and scones, all home-made by members of the committee, members of the RRG and
their families and friends*

*There was a raffle, with some lovely donated gifts to make up the hampers
We were treated to some wonderful music provided by Peter, who is very active in the open
mic events held locally*

*The event raised significant funds for the group (and additional donations were also very
gratefully received) which support the maintenance of the arena
Huge thanks go to all those involved, to everyone who bought tickets for the event as well as
raffle tickets*

It was a lot of hard work and organisation but a great event well received
