

# Within Reach

A large flock of birds is captured in flight against a sunset sky. The birds are silhouetted against the warm, orange and pink hues of the setting sun. In the foreground, a tall, lattice-structured power line tower stands prominently on the left, with several power lines stretching across the frame towards the right. The sky is filled with soft, wispy clouds, and the overall atmosphere is serene and evocative.

December 2021/January 2022

Then and Now pictures – see facing page
