## ***Senior's Christmas Lunch 2021***

*This is a wonderful event - and it was so pleasing that it was able to take place again in 2021*

*But it simply couldn't happen without the huge contribution from the cooking team of **Catherine** and **Ian** with help from **Glynis**, and without **Claire** who produces undoubtedly the best puds in the world*

*And our Seniors make it so much fun on the day!*
