

Within Reach

June/July 2025

In preparation for Reach Fair, Nathan Bridgeman organised a working party which included Simon Burnett who runs the Dream Team Cleaning Company in Swaffham Prior – his help, was invaluable!

It wasn't just a washing exercise, it was also gardening - and plenty of villagers came along to help

The quiz was well attended and lots of fun – it was won by the cricket team, the income of £100 going to the “Just George” charity

Then the Fair was opened in the normal - and lovely - manner!
