

Within Reach

April/May 2015

Blue tits

**Female sparrow hawk with its lunch
(A blackbird) in our garden**

Not a common pheasant! A couple of these blue-back/ring-neck pheasants were around the village in January / February and this one frequently visited our garden to eat the seed that had fallen from our bird feeders and once it came right up to the patio door. Alison Lewis

Mrs Swan this last week started to nest build

Jo Fitzpatrick and Bertie (left) and Sue Clifton and Flynn

Pam King and Jess who likes to chase deer

Ross Clark and Happy Ted

**David Parr
pancake-maker extraordinaire**

**Our new village
sign in the making**

**Huge thanks to
John Holmwood**
